

# CLAY FACE BRICKS

Firelight Satin

Tambotie Satin

## CLAY FACE BRICKS

The strength and durability of clay brick is equally matched by its intrinsic aesthetic qualities which are as rich as nature itself. The Corobrik Clay Face Brick is testimony to this colourful, earthy palette of nature, offering the widest variety of colours, shades, shapes and textures which enhance and harmonise with any environment.

For more information on classification and special shapes or advice, contact your nearest Corobrik Office.
